

Accurate, accessible information is critical to the success of your service organization. We created InsightJolt to address this common pain point.

InsightJolt is an analytics and reporting platform that gathers and aggregates data from multiple systems across the organization and gives you a 360° view of your business.

Easy-to-read dashboards and reports give you information on operations and customer interactions to assist in making strategic business decisions.

The benefits

- ✔ Identify trends
- ✔ Increase efficiency
- ✔ 100% accuracy
- ✔ Interactive data visualization
- ✔ Self-service features
- ✔ Freedom & flexibility

About Forcivity

We're dedicated to helping businesses digitally transform their service operations, leveraging technology to create impactful change and improve customer and employee experiences.
