

LightningJoltSM

Migrating from ServiceMax to Salesforce has never been easier with LightningJolt.

Our proprietary migration software automates data migration, and object and field mappings to minimize transition risk and frustration.

Our technology experts offer additional domain expertise and best practices to elevate your service organization and enable your business objectives.

Value-add Features

- ✓ ServiceCloud / FSL best-in-class workflows
- ✓ Team of certified ServiceMax and Salesforce professionals
- ✓ Risk mitigation
