

At Forcivity we understand that sometimes you can't wait to make impactful change at your organization. That's why we offer RapidJolt, a quick-start implementation optimized to your industry needs.

With implementation time as quick as 6-8 weeks, you'll realize ROI in 2-3 months from deployment.

We've taken knowledge from our 300+ implementations to deliver the data and infrastructure you need now, kickstarting your optimization strategy.

What's included

- ✓ Executive dashboards
- ✓ Real-time visibility
- ✓ Intelligent schedule/dispatch
- ✓ Mobile checklist
- ✓ Mobility
- ✓ Entitlements
- ✓ Optional add-ons

Our guarantee

- ✓ A 6-8 week implementation period, dependent on cloud and requirement variables.
- ✓ Option to spread payment over 12 months - after the implementation is complete.
- ✓ Measurable, attainable KPIs based on your specific industry needs.
- ✓ A realized return on investment within 90 days from deployment.

About Forcivity
